Family Volunteer Policy 2011/2012

As part of the SARS community, we kindly request your cooperation with our volunteer policy set forth below*. Please note that tuition only covers approximately 50% of our program costs. With our excellent performance, we are able to attract coaches, races and alumni which support your athlete to their highest ability and goals. This of course requires significant fundraising. With your volunteer commitment, we balance our budget while having the opportunity to share on-hill time, experiences and friendships.

For families with multiple athletes, please find your volunteer commitment based on the athlete with the most advanced program below:
